MEMORANDUM

**SUBJECT:** Conference with Pacific Wood Treating

**FROM:** John A. Hamill, Sr. Assoc. Regional Counsel

**TO:** Marcia Bailey

Scott Howard, the PWT lawyer had his secretary tell me today when I called that his people (the PWT folks) could not be here on February 21st, and couldn't make it on the 22nd or 23rd either. His message for me was that a meeting would have to be scheduled after March 12th.

I plan to call back next Tuesday, February 20th, and see if we can get a firm date on March 13th, 14th, 15th, or 16th. Please advise me which of those dates you can keep free for a meeting here with PWT.

John - any day OK w/ me. I will call you for the date. (I don't know my phone # at the city yet.) Please let the following people know also, when you have a time and date.

x 2582 Dave Croxton

FTS 434-9428 Jack Boller

Also, we will need a conference room,

Thanks very much,

MARCIA

Is Thurs March 29th OK?
